

# KRAKEN INTERMEDIATE ACCOUNT APPLICATION

## INSTRUCTIONS

1. **Create an account** at <https://www.kraken.com/sign-up> (Skip this step if you have already signed up and have your [Public Account ID](#)) The Public Account ID is the 16-digit code that can be found in your settings page, this is the only unique identifier of your account that is safe to share with other people.
2. Download the Google Authenticator app on your phone and use it to enable Two-Factor Authentication on your Kraken account: Navigate to Settings --> Two-Factor authentication and **enable 2FA** for Login.
3. **Attach the following documents** in your response to the email along with this application form.

## Document Checklist

**ID**

*Colour copy of passport or any other valid photo government ID (photo showing all four corners of the ID).*

**Proof of Residence**

*The proof of residence document must be a utility bill, bank statement, credit card statement, tax statement, salary statement, residence document, insurance statement, (or similar to these). The document must have your full name, your address, and a date showing that the document is no more than 3 months old.*

### ID Guidelines

- > *Uncropped ID - All four edges are contained within the image.*
- > *Legibility - All document information is clear.*
- > *Background - Place ID on a dark & contrasting surface.*
- > *Limit Tilt - Take photo directly above the ID.*
- > *Lighting - Use sufficient light without a flash.*
